LETTER TO EXAMINER

Sir:

It should be noted that the declaration of the instant application properly identifies the specification to which it is directed, i.e., Serial No. 09/827,806, filed on April 6, 2001, to which the instant application is a continuation. It should be noted however, that the declaration inadvertently did not list all of the priority applications to which the instant application claims priority to, i.e., the declaration does not list Serial Nos. 60/085,109, filed May 12, 1998, and 60/062,531, filed October 20, 1997. However, the priority claim as recited in the specification is correct. It is believed that this inadvertent omission does not render the declaration defective or inoperative. If this understanding is incorrect, then the Examiner is respectfully requested to contact the undersigned as soon as possible.

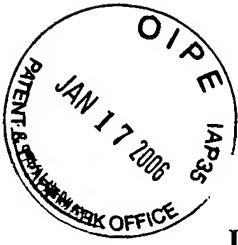

Respectfully submitted,
